| This course offers an introduction to major religions of the world, including Hinduism, Buddhism, Eastern Religions, Judaism, Christianity, and Islam. What is interesting about the origin and historical development of each religious tradition? What are their sacred texts, philosophical ideas and common values? What kinds of rituals are performed by the members of each faith? The purpose of this course is to answer these questions in a way that compares various World Religions, especially in light of the global forces that have shaped them.   |            |  |     |        |                |      |                                  |      |     |
| 【到達目標】  |            |  |     |        |                |      |                                  |      |     |
| This course has two main learning outcomes: The first (1) is the ability to offer a comparative analysis of the origin and historical development of each of the world ' s major religions, drawing from basic understanding sacred texts, philosophical ideas and patterns of ritual worship. Secondly, (2) students will have the ability to comment on how religion impacts upon a wide range of social, political and cultural issues that affects modern society around the globe.   |            |  |     |        |                |      |                                  |      |     |

## Introduction to World Religions-E2(2)

### **[成績評価の方法・観点]**

Students will be evaluated according to three main criteria. (1) their ability to participate class discussion ( 25% of the overall grade), (2) a written essay ( 35%), and (3) group project/presentation (40%). \*\*\*The group project/presentation may be replaced by a written exam, depending on class numbers. This will be announced when the final number of enrollment is confirmed.\*\*

### **[教科書]**
