開講年度・ 開講期	2024・前期		曜時限	月1		配当学年	大学院生	対象学生	全学向		
[授業の概要・目的]											
The purpose of English Academic Discussion is to equip students with the communication skills necessary to actively engage within academic and professional communities, improve critical thinking and discussion skills, and expand viewpoints on a variety of topics from the humanities, natural sciences, and social sciences. The course will be focused mainly on group discussions. Students will be asked to prepare their own themed materials as homework and use them to actively participate in discussions in following classes.											
[到達目標]											
By the end of this course, students should be able to: - understand the role of discussion in academic settings - initiate and maintain a conversation - ask critical questions and respond in length - lead and manage a discussion - identify and use discourse markers - orally summarize ideas from in-class discussions
