[授業の概要・目的]							
<p>This is an introductory seminar on Japanese and European contract law. The course is organized into the following three parts:</p> <ol style="list-style-type: none"> 1) Brief overview of the history and development of Japanese and European contract law, 2) Description of Japanese contract law, 3) Presentation of the efforts and steps towards a harmonized European contract law. <p>Along the way, relevant cases decided by Japanese courts and by the Court of Justice of the European Union will also be discussed.</p> <p>The goal of this course is for students to acquire a basic knowledge of the structure and content of Japanese and European contract law, and learn about the similarities and differences between these laws. An additional goal is for students to get familiar with comparative law and its methods.</p> <p>During this course, students will be given the opportunity to actively participate in discussions and exchange of ideas.</p>
