[授業の概要・目的]											
This course is designed to give students who have already begun to deepen their understanding of the French language and culture the opportunity to master a fuller range of vocabulary, structures and cultural information. Upon completion of this course, students should be able to take the advanced French proficiency test (DELFB2 or DALF C1), required to enter French universities. The class will be conducted in French by a native speaker.											
[到達目標]											
- Strengthen listening comprehension and reading from various documents - Consolidate grammar and lexical use - Increase knowledge on oral and written structures in French applied to academic (or formal) speaking and writing - Develop communicative skills											
[授業計画と内容]											
After an introductory lecture (week 1) presenting the goals and exercices of the course, we will practice various exercices (weeks 2-14), fitting the schemes of the Delf exam : oral and written comprehension, oral and written production. Total:14 classes and 1 feedback											
[履修要件]											
「全学共通科目履修の手引き」を参照してください。											
[成績評価の方法・観点]											
The students will be evaluated through continuous assessment: this includes 2 tests during the semester, but also participation (classroom behavior, personal work). The detail to be announced during class.
