[授業の概要・目的]												
This course focuses on improving English speaking, reading, and listening skills. Students will read journal and newspaper articles, deliver group and individual presentations, and practice note-taking while listening to audio recordings. All materials used in this course and presentation topics will be related to economics.												
[到達目標]												
After completing this course, students will be able to better comprehend English written and audio materials related to economics. Through this course, students will also improve their English presentation skills.												
[授業計画と内容]												
Regular classes (weeks 1 through 13) will be conducted as follows:												
<ul style="list-style-type: none">At the beginning of the class, there will be a written quiz based on the content of the previous class. There will not be a quiz for the first class.Students will practice reading aloud a journal (or newspaper) article in English. They will identify keywords and learn their meaning. Students are also expected to discuss these articles in English.Instructor will assign a presentation topic, and students will give 5-minute presentations in the next class. The presentation will be individual or group, depending on the class size.Students will listen to an audio recording and practice taking written notes.												
Final Class (week 14)												
<ul style="list-style-type: none">Students will deliver a final presentation in English. The details regarding the final presentation will be given in the first class.												
Feedback (week 16)												
[履修要件]												
<ul style="list-style-type: none">Students should have a basic understanding of English.Basic knowledge of economics is desirable. Students can acquire such knowledge in the following courses: Introduction to Microeconomics and Introduction to Macroeconomics (Faculty of Economics). Completion of these courses is not required for this class.												
[成績評価の方法・観点]												
<ul style="list-style-type: none">Active class participation 10%5-minute presentations 20%Quizzes 50%

【授業外学修（予習・復習）等】

It is essential to review the content covered in each class and prepare for quizzes. I also recommend regularly listening to English audio materials available in the university library (such as documentaries, etc.).

【その他（オフィスアワー等）】

There will be a regular office hour every week. Details will be given in the first class.
