【授業の概要・目的】											
<p>The purpose of this class is to discuss the historical development of Japanese Popular Culture from its roots in the 19th Century to the end of the Second World War. The Meiji Period ushered in the opening of Japan attracting a new global audience to Japanese culture. This global interaction also impacted the development of popular culture in Japan. Combining high politics and diplomacy with sport, theatre, anime and mass media this class frames Japanese Popular Culture as shaped by domestic and international counter-culture trends. The course is suitable for both students who have previously studied popular culture and those who are new comers.</p>
