開講年度・ 開講期	2024・後期		曜時限	金2		配当学年	2回生以上	対象学生	全学向		
【授業の概要・目的】											
<p>The course will focus on advanced presentation skills for academic (class, seminar, or conference) settings. Students will learn various elements of successful speeches, such as establishing one's authority and appealing to an audience's sense of logic or emotion, and work to incorporate those elements into their own presentations. Through a combination of short, less formal presentations, Q&A sessions, and a final formal research presentation, students should gain the confidence to present with a certain level of ease and professionalism. Class discussions will also be held to foster critical thinking skills and the ability to express opinions orally in an impromptu setting. Finally, through peer feedback and reflection, students should be able to hone their skills as effective presenters. Elements such as expression and pronunciation will be addressed as needed.</p> <p>本授業では、学術的な場面（授業やゼミ，学会）で求められる発展的な口頭発表技能に焦点を当てる。説得力を高めて聴衆の論理や感情に訴えろといった，優れた発表に不可欠な様々な要素を学習し，それらを統合し自身の発表に導入する。短い発表や質疑応答，最後の研究発表といった実践の場を通して，高度な発表技能を習得し，自信を高め不安を軽減できるようにする。また，クラス討論を行うことにより，批判的思考力を高め，口頭で即座に意見を述べる能力を育成することを目指す。最終的に，学生相互のフィードバックと内省を通して，効果的な発表技能を上達させる。必要に応じて適切な英語表現や発音の指導を行う。</p>											
【到達目標】											
<p>If students give their best effort during the course, by the end they should be able to:</p> <ul style="list-style-type: none">-incorporate the elements of successful academic and professional presentations into their own-give individual presentations with substance, clarity, and a level of professionalism-ask appropriate questions about the presentations and research of others-appropriately respond to questions and comments about their own presentations and research-avoid plagiarism and include proper citations in their presentations-think critically about a variety of topics and contribute to class discussions without hesitation-recognize and use vocabulary that arises in the videos and discussions											
【授業計画と内容】											
Session 1: Introductions. What makes an effective presentation?

【履修要件】

As this is an advanced course, students are recommended to have a minimum TOEFL ITP score of 550 points (TOEFL iBT 79, IELTS 6.0) to participate in this course. Students who have spent time abroad or in another English-speaking environment are also welcome to join the course.

【成績評価の方法・観点】

The grading policy will be as follows:

Short presentations 30%
Active class participation 20%
Final presentation 40%
Vocabulary quizzes 10%

【教科書】

使用しない

Materials will be provided by the instructor and distributed during class or will be available through Panda or other websites.

【授業外学修（予習・復習）等】

Students are expected to prepare for discussions by watching relevant videos or completing worksheets. Students are also expected to prepare adequately for class presentations or group presentations when necessary.

【その他（オフィスアワー等）】

This course will be conducted in English only. Students should be comfortable communicating in English with their classmates.

A short introduction of PowerPoint will be provided, but prior knowledge of and experience with it is desired.

Office hours will be announced in class.
