### 【授業の概要・目的】

Discover Italy 1. Italian Language and Culture (Intermediate)

Through a virtual journey to discover Italy, the course aims to provide the tools for conversation on various topics, including but not limited to art, music, literature, cinema, food, and sport. In this journey, students will learn about some of the most exciting aspects of Italian culture, between tradition and innovation, familiarizing themselves with the lexicon of everyday life, travel, and leisure. Therefore, they will acquire a more confident command of the Italian language in its written and oral production, expanding their vocabulary, improving pronunciation, and strengthening grammatical and syntactic skills.

**[到達目標]**

Students will use Italian to interact during classes. They will learn to manage the fundamental communication functions, understanding and producing simple - oral and written - Italian texts. They will become familiar with the conversation on essential daily life topics. They will demonstrate awareness of basic grammatical structures and vocabulary. They will deepen their knowledge of Italian culture. They will watch and discuss a film in Italian.
