開講年度・ 開講期	2025・後期		曜時限	金5		配当学年	2回生以上	対象学生	全学向		
[授業の概要・目的]											
Italian Film Club 2. Italian Language and Culture (Elementary)											
This course will allow the students to watch and discuss some of the most exciting Italian movies. It will provide the tools for a conversation in Italian on different topics, including sports, politics, music, and art. Through cinema, students will learn about some of the most intriguing aspects of Italian culture, familiarizing themselves with the lexicon of everyday life. Therefore, they will acquire a good command of the Italian language in its oral production, expanding their vocabulary and improving pronunciation. We will watch movies in Italian, with Japanese subtitles.											
[到達目標]											
Students will learn to manage the fundamental communication functions, understanding and producing simple oral Italian texts. They will become familiar with the conversation on essential daily life topics. They will deepen their knowledge of Italian culture and will be able to watch and discuss a film in Italian.											
[授業計画と内容]											
1: Introduction. 2-14: Italian Film Club: Screening and commentary on some of the most exciting Italian movies. Conversation on central topics of Italian culture, including sport, politics, music, and cinema. 15: Feedback The instructor will give more details during the first class.
