Logic I-E2 :Deductive Reasoning & Analysis(2)

[履修要件]

特になし

[成績評価の方法・観点]

40% - Final Exam

20% - Quizzes

20% - Short Personal Reflection Paper

20% - Class Participation

[教科書]

使用しない

Not required. Optional reference books are provided below

[参考書等]

(参考書) Lee SF. (2017). 『 Logic: A complete introduction. 』ISBN:B01J24WGYW

[授業外学修(予習・復習)等]

About 1-2 hours of study and preparation are required per week outside of class.

[その他(オフィスアワー等)]

Students are expected to complete assignments before class and come prepared to discuss the topics. One short personal reflection paper will also be required.
