 then, recall and apply this knowledge in the process of organizing and revising a short academic essay of at least 300 words. Under the guidance of the instructor they learn necessary foundational academic writing skills as stated in the Course Goal section below. For practice with listening, students take the online course known as GORILLA (Global Online Resources for International Language Learning Assistance) outside class. For vocabulary learning, students use the standard reference book titled " Kyoto University Vocabulary Database 1110. [授業外学修(予習・復習)等]

Students are required to study academic vocabulary from the designated part (EGAP vocabulary) of the "Kyoto University Vocabulary Database 1110" outside of class, and regularly take vocabulary assessments in class.

Students are also required to study the online listening materials outside of class through the GORILLA system. The materials for this course are as follows:

- KU Academic Listening (A) Units 1-12 (required)
- TOEFL ITP Sample Test Unit (required)
- KU Can-Do Self-Assessment (optional)
- Extra practice for further study (optional)

Students must complete each unit by the assigned deadline. If students miss the deadline for a certain unit, the unit will not be evaluated as a passed unit.

For details such as the deadlines and the in-class assessment schedule, please see the handout distributed in class and the information posted on the GORILLA system.

[その他(オフィスアワー等)]

Students are advised to save the textbook PDF file in their digital devices.

If they want a printed version, they can print the file on a printer at home or a nearby shop, purchase a bookbinder (less than 200 yen) at the Univ. Co-op shop in the Yoshida-minami Campus or the Clock-tower, and use a binding-machine there for no extra charge.

Students may benefit from accessing the website offered by the Division of English Language Education (DELE), i-ARRC, Kyoto University. The website provides useful information to support students in learning and using English autonomously.
