開講年度・ 開講期	2025・後期		曜時限	火4		配当学年	主として1・2回生	対象学生	全学向
【授業の概要・目的】									
<p>In today ' s interconnected world, vibrant and dynamic societies are shaped by people on the move; individuals born in one country and living in another. This course offers an in-depth look at global migration trends and the diverse experiences of those who relocate and build lives in foreign lands.</p> <p>As a seminar-based course, it focuses on human migration patterns, particularly in the Asia-Pacific, Southeast Asia, and other global regions. Through interactive discussions and activities, students will explore the complex realities of migration, examining its causes, challenges, and far-reaching impacts on individuals, communities, and nations.</p> <p>This course will deepen your understanding of how migration transforms the world;and how it continues to shape the societies we live in today.</p>									
【到達目標】									
<p>On this course students will do the following:</p> <ol style="list-style-type: none"> <li>1. Understand Why People Move Gain a critical introduction to the reasons behind migration and the current issues driving people to relocate.</li> <li>2. Explore the Impact of Migration Examine how migration issues influence our everyday lives and shape the experiences of migrants, immigrants, and refugees in today ' s globalized world.</li> <li>3. Engage in Interactive Learning Participate in weekly sessions that include brief lectures (based on readings and class notes), class discussions, and group exercises to deepen understanding and encourage collaborative learning.</li> <li>4. Develop Critical Thinking Reflect on the human dimensions of migration and build analytical skills to evaluate how globalization affects movement and its broader societal implications.</li> </ol> <p>This course aims for thoughtful discussion and provide students with the tools to critically analyze migration as a key issue in our interconnected world.</p>
