【授業の概要・目的】												
The goal of Test-Taking II is to improve learner ’ s proficiency in Academic English through guided practice in tasks designed to raise learner awareness of the TOEFL iBT test. The course will cover items representative of the four test components: speaking, reading, listening, and writing.												
【到達目標】												
In this course, students engage with learning materials designed to develop test-taking strategies for TOEFL iBT questions. In-class activities focus on developing learner awareness and test-taking ability across the four parts of this widely used proficiency test: reading, listening, speaking and writing. Homework includes completing practice tests and preparing for class by reading portions of the assigned textbook. An attempt will be made to balance the four components of the TOEFL iBT so that learners can develop their English language proficiency at the skill level.
