[授業の概要・目的] This course introduces a broad range of Kyoto's traditional houses and gardens from every period of the city's premodern history. These range from summer villas to townhouses, from temple residences to tea pavilions, from private homes to traditional inns. All have their associated outdoor spaces, whether courtyard gardens, stroll gardens, or stone gardens. In addition to lectures, we will visit a number of the places discussed.													
[到達目標] By the end of this course, students will: Know the various styles, dates, and locations of important buildings and gardens; Understand the climatic and cultural factors that have shaped the buildings and gardens; Learn to employ basic methods of data collection in research; Assemble this research into a cogent structure.													
[授業計]	画と内容	돌]											
Lectures will alternate with site visits (held during regular class hours). Students are required to pay their own transport and entry costs for the site visits. Students must have Personal Accident Insurance for Student Pursuing Education and Research (Gakkensai) coverage. The topics and sequence may be altered during the semester.

Theory of Landscape Design-E2 :House and Gardens of Kyoto(2)

# [履修要件]

No prior knowledge is required. Essential information will be provided in class. Students should be able to participate in discussions with their classmates in English.

### [成績評価の方法・観点]

Student must write reports on each of the five site visits, following the templates provided (5 x 20 = 100 points). Attendance is mandatory, and students may fail if they attend less than 2/3 of the classes. Site visits are mandatory, and assignments may not be accepted if site visits are not attended.
