【授業の概要・目的】													
<p>Forbes magazine reports that "seventy percent of employed Americans who give presentations agree that presentation skills are critical to their success at work (...) The other 30% don't know it yet."</p> <p>In this new global and interconnected world, being able to clearly and succinctly communicate ideas is becoming more and more a basic requirement for success at work. Presentation skills are to the XXI century what English skills were to the XX century: a necessity, rather than a luxury.</p> <p>The aim of this class is to help you improve your communication proficiency, focusing on presentation and discussion skills in English.</p>													
【到達目標】													
<p>At the end of the course, you should be able to present ideas in a concise and orderly manner, in both small and large settings, either individually or as part of a group. The principles behind the use of slideware, color and presentation theory, graphic creation, data delivery, etc., will be introduced during this practical class.</p>													
【授業計画と内容】													
<p>This practical class will divide the learning of presentation skills in the following building blocks:</p> <p>A) Preparation (Definition of main idea, structure, story, research, etc.)</p> <p>B) Design (Principles of design, color theory, typography, images, etc.)</p> <p>C) Delivery (Rehearsal, connecting with an audience, Q&amp;A, etc.)</p> <p>These themes will be built in conjunction with permanent practice and discussion. Students will have to prepare and present both individual and group presentations during the course. This course consists of 15 classes including one feedback class. A general schedule of the classes is given below.</p> <p>1) Technical presentation</p> <p>2) Preparation</p> <p>3) Analysis of structure</p> <p>4) Creating the structure</p> <p>5) Basic design rules</p> <p>6) Principles of visual design</p> <p>7) Presenting data</p> <p>8) Bad data display</p> <p>9) Basic principles of delivery</p> <p>10) Group presentation exercise</p> <p>11-14) Individual presentation exercises</p> <p>15) Feedback &amp; report</p>
