【授業の概要・目的】									
<p>Italian Film Club 1. Italian Language and Culture (Elementary to Intermediate)</p> <p>This course will allow the students to watch and discuss some of the most exciting Italian movies. It will provide the tools for listening authentic, vivid conversations in Italian in different situations.</p> <p>Through cinema, students will learn about some of the most intriguing aspects of Italian culture, familiarizing themselves with the lexicon of everyday life and expanding their vocabulary.</p> <p>Also, in order to improve pronunciation and fluency, and to acquire a good command of the Italian language in its oral production, the students will be asked to memorize some key dialogues and lines from the movies. Then, in small groups, they will be asked to perform them in class, also involving emotion, body language (particularly gestures) and facial expressions, which are extremely important to communicate in Italian.</p> <p>We will watch movies in Italian, with Japanese (or English) subtitles.</p>									
【到達目標】									
<p>Students will use mainly Italian to interact during classes. They will learn to manage the fundamental communication functions, understanding and producing simple - oral and written - Italian texts. They will become familiar with the conversation on essential daily life topics. They will demonstrate awareness of basic grammatical structures and vocabulary. They will deepen their knowledge of Italian culture. They will be able to watch and discuss movies in Italian.</p>
