[授業の概要・目的]

This course introduces a broad range of Kyoto's traditional houses and gardens from every period of the city's premodern history. These range from summer villas to townhouses, from temple residences to tea pavilions, from private homes to traditional inns. All have their associated outdoor spaces, whether courtyard gardens, stroll gardens, or stone gardens. In addition to lectures, we will visit a number of the places discussed.

[到達目標]

By the end of this course, students will: Know the various styles, dates, and locations of important buildings and gardens; Understand the climatic and cultural factors that have shaped the buildings and gardens; Learn to employ basic methods of data collection in research; Assemble this research into a cogent structure.

[授業計画と内容]

Lectures will alternate with site visits (held during regular class hours). Students are required to pay their own transport and entry costs for the site visits. Students must have Personal Accident Insurance for Student Pursuing Education and Research (Gakkensai) coverage. The topics and sequence may be altered during the semester.
